

**Food and Agriculture
Organization of the
United Nations**

**Draft Agenda of the second Workshop of the International Network of Soil Information
Institutions (INSII)
24-25 November 2016, FAO HQ, Malaysia Room (B227) Rome, Italy**

During this workshop, the following activities will be discussed: a) issues related to the execution of the Pillar 4 Implementation Plan (data policy, GSSDIC, planning the spatial data infrastructure); b) Global Soil Organic Carbon Map 2017; c) issues related to Pillar 5 (soil information modelling, harmonization of soil analysis); d) capacity development to support P4IP.

Chair: Mr. Luca Montanarella (Chair ITPS)		
Thursday 24 th November		
09:00 - 09:10	Opening of the workshop	E. Mansur, Director, Land and Water Division, FAO
09:10 - 09:30	Tour de table	All
09:30 - 09:45	Introduction to the workshop and progress report	R. Vargas, GSP Secretariat, FAO
09:45 - 10:10	Progress report on Pillar 4 IP and current soil information developments (soils and greenhouse gases, SDG 15.3.1, Land Degradation Neutrality target setting, 4per1000 initiative, open agriculture data and nutrition (GODAN), status of the world soil resources, GEOSS).	R. Baritz, GSP Secretariat, FAO on behalf of the P4WG
10:10 - 10:30	Election of the INSII Chair	From there, he/she will chair the meeting
10:30 - 11:00	Coffee Break	
11:00 - 12:00	Formalization of INSII (Arrangement)	R. Vargas
12:00 - 13:00	GSP Data Policy (for sharing soil data)	R. Baritz
13:00 - 14:15	Lunch	

14:15 - 14:30	Call for GSSDIC	R. Vargas, GSP Secretariat, FAO
14:30 - 15:30	The Global Soil Information System and SoilSTAT, overview and discussion: <ul style="list-style-type: none"> – Principles of data exchange: web services – Product development – Levels of action: regional and global – Spatial Data Infrastructure (SDI) – SoilSTAT 	R. Baritz, GSP Secretariat, FAO
15:30 - 16:00	Coffee break	
16:00 – 17:00	Stakeholders and synergies of the Global Soil Information System	Neil Mckenzie, ITPS
Friday 25th November		
09:00 - 10:30	Introduction to the Global Soil Organic Carbon map (GSOC2017): task, guidelines, methodologies (cookbook), implementation, data exchange, global product, time frame	Miguel Taboada, ITPS L. Wiese, GSP Secretariat, FAO
10:30 – 11:00	Coffee break	
11:00 - 13:00	Feedback from countries on this call	All
13:00 - 14:15	Lunch	
14:15 – 15:00	Capacity development and the cookbook	Federico Olmedo/Christian Omuto, P4WG
15:00 - 16:00	Roadmap and Pillar 4 workplan 2016-2017	All
16:00 - 16:15	Conclusions of the meeting	INSII Chair/ ITPS Chair and GSP Secretariat
